RUBAIYAT

With great honor, we welcome you to our home, where gastronomic excellence meets culinary tradition: Farm to Table.

As we delve into the pages of Omar Khayyam's Rubaiyat, we find inspiration to craft a menu that celebrates the poetry of cocktails. Each creation is an invitation to explore the senses and appreciate the art of mixology.

May this menu be a journey through the pages of time, celebrating friendship and good times like a glass that never empties!

Cheers!
